PROMOCIONAL TEASER (VIDEO)

Briefing

Create a short teaser to promote an aviation school. The video should arouse curiosity and enthusiasm, conveying professionalism and passion for the world of aviation.

Requirements

- Format: Reels / Vertical (1080x1920);
- Duration: 15 to 30 seconds;
- Music: royalty-free;
- Color correction and grading required;
- Export format .mp4 & .prproj / .drp / .aep.

Mandatory content

- Include school logo (provided on Google Drive);
- Use video bank provided (provided on Google Drive).

Objective

- Generate excitement, ambition and a spirit of adventure.
- Present the school as a benchmark in pilot training
